

# Erik Doytchinov, Software Engineer Intern

Hilversum, Netherlands, +31 6 84 05 49 44, erik.doytchinov@gmail.com

## PROFILE

With a great work ethic, and strong willingness to learn, I'm an undergraduate student and an individual who strives to grow and tackle new challenges and tasks. I'm passionate in the work I do; doing everything with the utmost attention for care and detail. My work experience throughout the years have worked only to strengthen and arise this passion out of me, achieving me stellar employee stature at all my work places.
